

Features and Benefits

PFAFF® creative performance™

Top 6 sewing features

- 1 The Original IDT™ System** – Integrated Dual Feed only from PFAFF® for over 40 years! Absolutely even fabric feed from both the top and the bottom.
- 2 Optimized feeding** – enhanced to provide more control when sewing through thick layers or seaming small pieces.
- 3 Large sewing space** – The PFAFF® creative performance™ sewing and embroidery machine is the perfect choice for quilters, home dec sewers, fashion enthusiasts – anyone who creates. The sewing area to the right of the needle is supersized for sewing large amounts of fabric or batting.
- 4 Over 450 stitches** – Unique and beautiful high quality 9mm stitches and Maxi Stitches up to 48mm wide, some that look like vintage hand work.
- 5 Exclusive Stitch Creator™ feature** – Create new 9mm stitches or edit built-in stitches for unlimited creativity.
- 6 Stacking stitches** – Sew beautiful decorative stitches in two colors. The stacking stitches consist of pairs of stitches that are designed to be sewn on top of each other!

More sewing features

- **4 built-in sewing fonts** – Choose a font to personalize your project.
- **creative signature™ sewing programs:**
 - **Tapering on all 9mm decorative stitches** – Taper at the beginning and/or at the end of any stitch. Change the angle of taper for unlimited opportunities. You can even embroider wonderful tapers in the hoop.
 - **Patchwork program** – Sew your seam and the PFAFF® creative performance™ sewing and embroidery machine will remember the seam length to repeat over and over. Use with utility or decorative stitches for special effects.
 - **Single stitch program** – Set exact number of stitches or sequence repeats you wish to sew.
 - **Mirror image of stitches** – Flip the stitch side to side and/or end to end for even more possibilities.
 - **Stitch positioning** – Moves complete stitch right or left to easily align decorative stitches.
 - **Stitch density** – The stitch density control adjusts the density, the distance between stitch points that make up the entire stitch. Density can be increased or decreased without affecting stitch length.
- **Automatic presser foot lift** – Raises the presser foot instantly when the needle is set to stop down and/or at the end of a seam after a thread snip.
- **Electronic knee-lift** – Raises the presser foot with an easy movement, allowing you to keep your hands on your project.
- **Free-motion modes** – Three modes for free-motion quilting, thread painting or darning. Select the best mode for your specific technique.
- **Needle up/down** – Set needle to stop up or down in the fabric for pivoting, appliqué and more.
- **Sensormatic buttonhole** – Buttonhole columns are sewn in the same direction for precise stitch quality.
- **Start/stop – sew without the foot control** – Makes sewing long seams, free-motion and embroidery easy.
- **37 needle positions** – For exact placement of your straight stitch.
- **Stitch width safety** – Limits stitch width to center needle straight stitch while using straight stitch foot to prevent needle breakage.
- **Twin needle program** – Enter twin needle size to automatically adjust the stitch width. See the twin needle stitch on the screen.
- **Button ruler** – Use the button ruler on the lid to measure your button, then set buttonhole size and sew as many precise buttonholes as you need.
- **Stitch restart** – Return to the beginning of a stitch or sequence without having to reset any special settings you've made.
- **Sew with embroidery unit on** – Easily convert from embroidery mode to sewing mode; no need to remove the embroidery unit.
- **Large stitch plate** – Features seam markings to the left and right of the needle.
- **Accessory feet included** – 0A Standard foot, 1A Fancy stitch foot, 2A Fancy stitch foot, 3 Blindhem foot, 4 Zipper foot, 5A Sensormatic buttonhole foot, 5M Manual buttonhole foot, 6A Sensormatic free-motion/Embroidery foot, 8 Maxi-stitch foot, ¼" Quilting Foot.

Machine features

- **Option to use it as an embroidery machine –** Purchase the creative performance™ sewing machine by itself or add an embroidery unit and expand your potential.
- **The PFAFF® creative™ Color Touch Screen is brilliant!** – The clear, high resolution display shows stitches in actual size and embroidery designs in true color. The intuitive layout is easy to understand.
- **LED lights** – Optimized bright lights illuminate the entire work area with no shadows.
- **Screen saver with start-up screen** – Start up screen will be displayed as a screen saver ten minutes after last touch.
- **Separate bobbin winding motor** – You can easily wind a bobbin while sewing or embroidering, without having to unthread the needle.
- **Bobbin winding from the needle** – No need to rethread to wind bobbins.
- **Top and bobbin thread sensors** – Alert you when bobbin or needle thread is low.
- **Thread snips** – Automatically cut top and bobbin threads, pulling thread ends to the back side of fabric.
- **Jam proof rotary hook** – No threads caught in bobbin area.
- **Quick help system and alphabetical Index help** – Touch the quick help icon for instant information or use index help for more built-in advice.
- **Speed ranges** – Adjust sewing speed and your PFAFF® creative performance™ sewing and embroidery machine remembers your preferred setting.
- **Personal files** – Save your personal stitches, sequences or designs in a folder to sew them again whenever you wish.
- **Browse the computer from your machine** – Search for design files easily.
- **Two built-in accessory trays** – Large trays to keep accessories close at hand with removable compartments for presser feet and bobbins.
- **Stylus holder built-in!** – Keeps your stylus at your fingertips.
- **Updateable** – Via the Internet.
- **Use an optional external mouse** – To navigate your screen.
- **Personalize your sewing machine** – Save your name to the PFAFF® creative performance™ sewing and embroidery machine, select your language and your preferred start stitch, change sound settings, save favorite stitches and settings, etc.

Optional Embroidery features

- **Large embroidery area** – Choose between two different embroidery units for your PFAFF® creative performance™ sewing and embroidery machine. The larger unit features an embroidery area up to 360 x 350mm so you can embroider your unique, personal creations in one hooping.
- **224 fantastic embroidery designs** – Created by fashion designers for the PFAFF® creative performance™ sewing and embroidery machine. The built-in embroidery designs are grouped into three different categories (machine designs, mini designs and quilting designs) making it easy to find exactly what you want.
- **Precise positioning** – Place every embroidery design exactly where you want it. Easily match multiple hoopings to create embroideries of unlimited size.
- **creative signature™ embroidery programs**
 - Mirror** – Flip the designs side to side and/or end to end for even more possibilities.
 - Rotate** – Rotate by 1° increments for precise adjustments.
 - Embroidery design scale** – Enlarge or reduce designs without changing the stitch count.
 - Multi-select** – Select one or many designs for editing.
 - Embroidery stitch editor** – Adjust a stitch or a sequence after you've brought it in to embroidery mode.
 - Color edit** – Change thread colors of the design directly on screen.
 - Monochrome** – Stitch any design in a single color without color stops.
 - Basting in the hoop** – Baste fabric to a stabilizer that is already hooped. Also great for knit fabrics or other fabrics that you do not wish to hoop.
- **2 built-in embroidery fonts** – Available in 3 different sizes including upper case letters, lower case letters, numbers and symbols to personalize your projects.
- **All stitches, including buttonholes, can be embroidered** – Sew any stitch in the embroidery hoop for perfect results and to create unique embroidery designs.
- **AutoSave current state** – Set to periodically save embroidery stitch number and position plus automatically save personalized adjustments to continue your embroidery later.
- **Undo/redo in embroidery edit** – To assist you when creating your embroidery combinations.
- **Cut jump stitches** – Cuts embroidery jump stitches automatically, pulling threads to the back side.
- **Jump to stitch** – Enter the stitch number to quickly move to a specific stitch in embroidery.
- **Embroidery grid and zoom possibilities** – Make customizing on the color touch screen simple and precise.
- **Hoop positions** – Move the hoop to correct position for changing the bobbin, cutting jump stitches, trimming an appliqué or finding the center of the design.
- **Embroidery hoops included** – The large embroidery unit comes with three hoops: creative™ 120 SQUARE HOOP (120x120), creative™ MASTER HOOP (240x150), creative™ DELUXE HOOP (360x200). The small unit comes with two hoops: creative™ 120 SQUARE HOOP (120x120), creative™ ELITE HOOP (260x200).
- **5D™ QuickFont included** – Use your computer and 5D™ QuickFont to create embroidery fonts from any TrueType font.
- **5D™ Organizer included** – Organize design files saved on your computer, turn designs into image files, print catalogs and more.
